Polycotton /Wool

WHY BUY Poly/cotton Wool?

We have put together three of our all time best selling fibres to make what is our most balanced batting so far. Adding Wool to our Poly cotton increases loft and definition of quilting as well as making it suitable for all climates. All Matilda's own wool fibres are pre-washed, pre-shrunk so you don't have to.

KEY FEATURES

- 2.4m wide, ideal for queen size quilts.
- Soft and easy to needle by hand or machine.
- Fine scrim to lock in fibres and prevent bearding.
- Great for those with allergies.
- Made in Australia from a unique blend of fibres to increase loft and produce a very soft result.
- No resin, sprays, glues or bonding.
- Pre-washed and pre-shrunk.

CARE INSTRUCTIONS

To ensure that your batting lasts as long as your quilt, please take the best of care when washing. This batting is machine washable. Matilda recommends washing with "Qwash", Matilda's Own quilt fabric wash with a purpose built wash formula, or a suitable pH-neutral, low phosphate fabric wash.

- Residual shrinkage is 2.5%.
- Visit our website Matildasown.com to download this guide and for full care instructions.
